MoIT/DHS/IPFAD/50/2023-2024/ 1215

Date: September 21, 2023

**Clarification/Addendum1**

In respond to the clarifications sought by prospective bidders for the **Contract Package No. BT-MWHS-376520-GO-RFB, Supply of Rain gauge and accessories**, the Infrastructure Planning and Flood Adaptation Division, Department of Human Settlement, Ministry of Infrastructure and Transport would like to issue the following clarifications cum addendum:

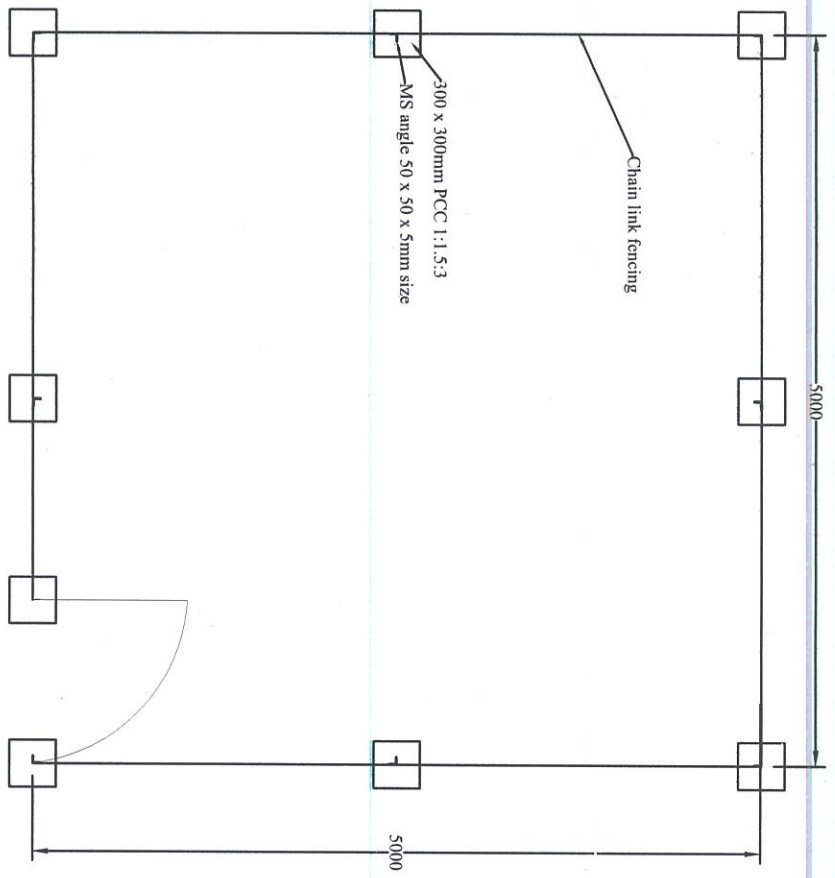

1. The delivery of goods will be on the project sites i.e. Phuentsholing and Samtse respectively. The location and coordinates of the sites will be shared to the successful bidder after the contract signing with the procuring agency.
2. The drawing for the chain fence for the purpose to safe guard the rain gauge instruments at the respective sites is provided in the RFB. The changes to the initial drawing are updated in the bidding document.

This will form part of the contract bidding documents and the prospective bidders are required to submit the same along with the standard bidding documents.

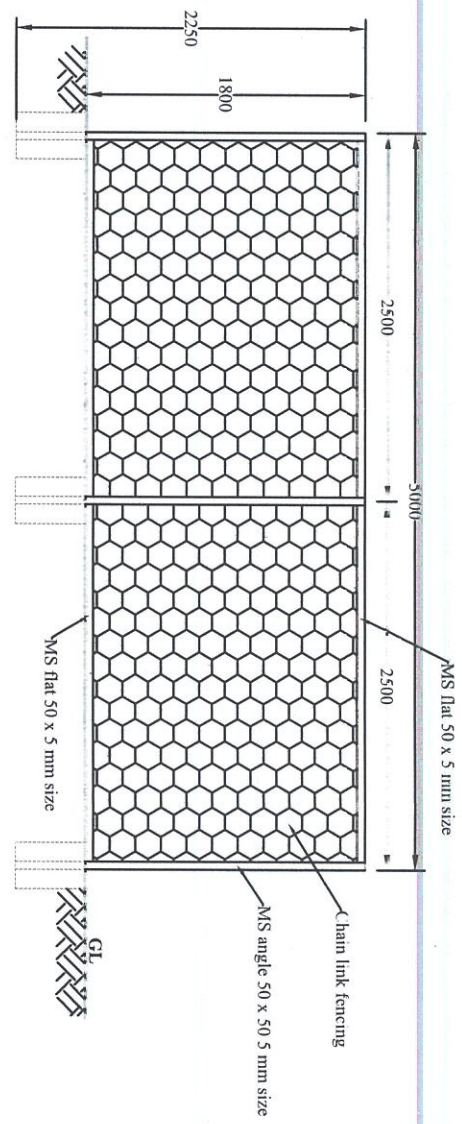

Kuenzang Choden  
(Officiating Chief Engineer)

Dorji Wangmo  
(RIR Project Focal)

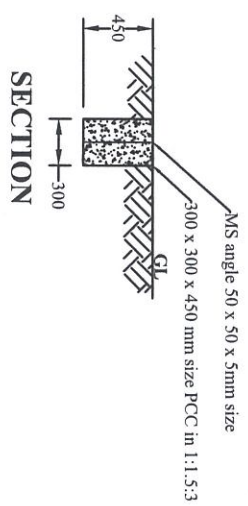

Wangda Dorji  
(Officiating Director, DHS)
