28<sup>th</sup> June, 2024

**Notification**

The Department of Infrastructure Development under the Ministry of Infrastructure and Transport is pleased to publish the following documents related to Bhutan Schedule of Rates:

1. Bhutan Schedule of Rates (Civil) - 2024
2. Labour and Material Coefficients (Civil) - 2024
3. Specifications for Building and Road Works- 2024
4. Bhutan Schedule of Rates (Electrical) - 2024
5. Labour and Material Coefficients (Electrical) - 2024
6. Specifications for Electrical Works- 2024

In the updated BSR, the rates for the materials and machineries have been revised to make it more appropriate to the prevailing market scenario. However, the rates reflected are only the suggestive averages and may not reflect the actual current market prices. Therefore the BSR users are urged to use it for reference and guidance purposes only.

In addition to the existing items in BSR, some new items have been added and some obsolete items removed to fit into the current scenario of the construction industry. All of the above documents are available on the Ministry's website and the users of the BSR are encouraged to use this BSR henceforth.
