To,
 The Bidders.
 Construction of Integrated Drinking Water and Irrigation Scheme for Hesotshamchu,

Subject: Responses to Clarifications sought: CW-03: Construction of Integrated Drinking Water and Irrigation Scheme for Hesotshamchu

The following are the clarifications sought by the bidders and the corresponding responses from the Employer

Sl. No.	Enquiry	Response
1	Request to revise qualification criteria no. 2.4.1 contracts of similar size and nature from HDPE pipe of ≥ 250 mm dia to ≥ 100 mm dia	Cannot be considered.
2	Whether the road formation cutting is to be executed strictly as per the BOQ and drawings indicating the 3.5-meter width throughout the project length, including both rocky stretches and soil areas. The BoQ item further mentions that the execution shall be "as per the instruction of the site engineers wherever necessary" and therefore, clarification is sought whether any variation in width may be instructed during execution	While 3.5m width has to be achieved throughout the alignment, there may be slight variations depending on site conditions. Hence, the bidders are required to build in these variations in their quoted rates.
3	Clarification on whether the bid should be exclusive or inclusive of GST	The bid price shall be inclusive of all applicable taxes.
4	Request to review the qualification criteria 2.4.1 (construction experience) regarding requirement for a successfully or substantially (95%) completed contract of similar nature with contract value exceeding BTN 375 million within the past 7 years	Cannot be considered
5	Request for extension of bid submission deadline	The request has been considered and an addendum on the same will be issued through the website of Ministry of Infrastructure and Transport and Wagnduephodrang Dzongkhag Administration at www.moit.gov.bt and
